SHAKESPEARE MASKS

Have fun performing Shakespeare's plays with these masks created by Marcia Williams, author of *Bravo, Mr William Shakespeare!*, *Mr William Shakespeare's Plays* and *Tales From Shakespeare*.

How to use your masks:

1. Print the masks on card, or print on paper and glue onto card.

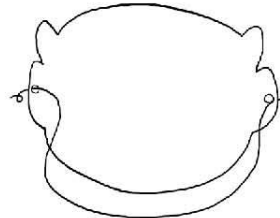

2. Ask an adult to help you cut your masks out.

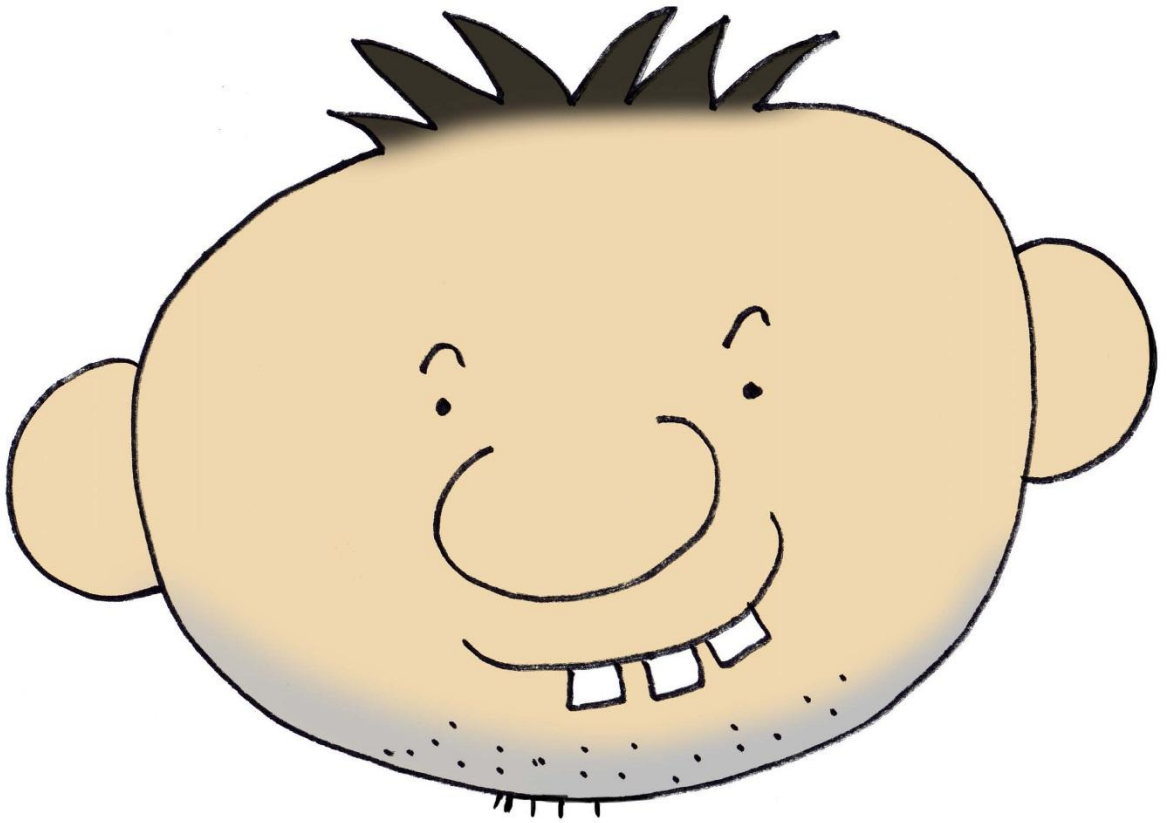

3. Ask an adult to punch a hole on each side of the mask.

4. Thread elastic through the holes to secure over your face.
